

Impacted By COVID-19?

Struggling With Addiction?

You Are Not Alone.

Through an emergency grant offered by the Substance Abuse and Mental Health Services Administration (SAMHSA), the Division of Behavioral Health is now offering free Substance Use Disorder treatment and recovery support services for qualifying Idahoans impacted by COVID-19.

Who is Eligible?

- Uninsured Idahoans impacted in any way by COVID-19.
- People who meet the income guidelines (earn less than 200% of the Federal Poverty Limit).
